

ESRL Physical Sciences Division

2015 Review Participants

Waleed Abdalati	Director, Cooperative Institute for Research in Environmental Sciences, University of Colorado
Michael Anderson	State Climatologist, California Department of Water Resources
Susan Avery	President, Woods Hole Oceanographic Institution
Andrea Badder	Performance Metric Manager, Office of Policy, Planning and Evaluation, NOAA Research
Anjuli Bamzai	Director, Climate and Large-Scale Ocean Dynamics Program, National Science Foundation
Ko Barrett	Acting Deputy Assistant Administrator, Programs and Administration, NOAA Research
Wade Blake	Deputy Director, Earth System Research Laboratory, NOAA Research
Levi Brekke	Chief, Research and Development, U.S. Bureau of Reclamation
David Bromwich	Professor, Atmospheric Sciences Program, Dept. of Geography and Director, Polar Meteorology Group, Byrd Polar Research Center, The Ohio State University
Joel Cline	Program Manager, Wind and Water Power Program, U.S. Department of Energy
Peter Colohan	Senior Advisor, NOAA Office of the Chief Scientist
John Cortinas	Director, Office of Weather and Air Quality, NOAA Research
Lisa Darby	Physical Sciences Division, Earth System Research Laboratory, NOAA Research
Cynthia Decker	Director, NOAA Science Advisory Board
Barbara DeLuisi	Physical Sciences Division, Earth System Research Laboratory, NOAA Research
Randall Dole	Senior Scientist, Physical Sciences Division, Earth System Research Laboratory, NOAA Research
Gary Eilerts	Program Manager, Famine Early Warning Systems Network, US Agency for International Development
David Fahey	Director, Chemical Sciences Division, Earth System Research Laboratory, NOAA Research
Steve Fine	Deputy Assistant Administrator, Laboratories and Cooperative Institutes, NOAA Research
Jessica Foley	Sea Grant Fellow, Office of the Assistant Administrator, NOAA Research
Lisa Goddard	Director, International Research Institute for Climate and Society, The Earth Institute, Columbia University
Brian Gorton	Deputy Director, Physical Sciences Division, Earth System Research Laboratory, NOAA Research
Stephanie Herring	Climate Sciences and Services Division, National Center for Environmental Information, NOAA National Environmental Satellite, Data and Information Service
Wayne Higgins	Director, Climate Program Office, NOAA Research
Janet Intrieri	Physical Sciences Division, Earth System Research Laboratory, NOAA Research
Ming Ji	Director, Office of Science and Technology Integration, NOAA National Weather Service

Kent Laborde	Policy Analyst for Cross-NOAA Climate Coordination, Office of Policy, Planning and Evaluation, NOAA Research
Margaret Lansing	Chief, Information Services Branch, Great Lakes Environmental Research Laboratory, NOAA Research
Richard Lataitis	Physical Sciences Division, Earth System Research Laboratory, NOAA Research
Deborah Lee	Director, Great Lakes Environmental Research Laboratory, NOAA Research
Rita Lombardi	Physical Sciences Division, Earth System Research Laboratory, NOAA Research
Alexander "Sandy" MacDonald	Chief Science Advisor, NOAA Research and Director, Earth System Research Laboratory, NOAA Research
Alex McColl	Physical Sciences Division, Earth System Research Laboratory, NOAA Research
Chesley McColl	Physical Sciences Division, Earth System Research Laboratory, NOAA Research
Craig McLean	Assistant Administrator, NOAA Research
Caroline Mosley	Sea Grant Fellow, Office of Communications, NOAA Research
Merriam Norris	Director, Formulation and Congressional Analysis, NOAA Research
Jonathan Overpeck	Co-Director, Institute of the Environment and Director, Environmental Studies Laboratory, Department of Geosciences, University of Arizona
Roger Pulwarty	Director, National Integrated Drought Information System, Climate Program Office, NOAA Research
Vincent Saba	Ecosystem Assessment Program, Northeast Fisheries Science Center, NOAA National Marine Fisheries Service
Paul Scholz	Deputy Director, Office for Coastal Management, NOAA National Ocean Service
David Score	Director, NOAA Corps and Director, NOAA Office of Marine and Aviation Operations
Bridget Seegers	Sea Grant Fellow, Office of Laboratories and Cooperative Institutes, NOAA Research
Peter Stott	Head, Climate Monitoring and Attribution, Hadley Centre, UK Met Office
Hendrik Tolman	Director, Environmental Modeling Center, NOAA National Weather Service
Michael Uhart	Executive Director, Office of Laboratories and Cooperative Institutes, NOAA Research
Von Walden	Professor, Laboratory for Atmospheric Research, Department of Civil and Environmental Engineering, Washington State University
Robert "Robin" Webb	Director, Physical Sciences Division, Earth System Research Laboratory, NOAA Research
Mary Anne Whitcomb	NOAA Science Advisory Board and Office of Laboratories and Cooperative Institutes, NOAA Research
Nicholas Wilde	Physical Sciences Division, Earth System Research Laboratory, NOAA Research
Tony Willardson	Executive Director, Western States Water Council
Andrew Wood	Hydrometeorological Application Program, Research Applications Laboratory, National Center for Atmospheric Research
Chidong Zhang	Professor, Department of Ocean Sciences, Rosenstiel School of Marine and Atmospheric Science, University of Miami
